To: Ruth Allen, Hiring Manager

Dear Miss Ruth Allen,

Having recently learned of the Materials Engineer opportunity with Carson Life Inc., I was compelled to contact you right away with my interest. In hopes of being considered for this position, I've included a brief outline of my background and qualifications for your review. I believe that I could make a strong addition to your team and offer the following career highlights to support my candidacy:

- In-depth knowledge of creating and studying various materials at the atomic level.
- Advanced training in Engineering from an ABET certified Bachelors Program at Florida University.
- Exceptional ability to design and direct the testing of processing procedures.
- Hands-on experience in evaluating the technical specifications and economic factors relating to the design objectives of high-end products.

Moreover, I possess excellent communication, leadership and problem-solving strengths. For a greater presentation of career contributions and achievements, please see my enclosed resume. I welcome the opportunity to speak with you at your earliest convenience and thank you for your time and consideration.

Sincerely,

Simon Petersen

Wooden Grain Toy Company

Identity	Problem
Wooden Grain Toys manufactures high-quality hardwood toys for children aged 3-10.	Parents and grandparents are looking for high-quality, durable toys that will entertain kids and foster creativity.
Our solution Our handcrafted toys are made from solid hardwoods, and are designed with sufficient moving parts to engage young children without limiting imagination.	Target market The target audience is adults, specifically parents and grandparents who wish to give toys to their children or grandchildren.
The competition Wooden toys are part of a niche market with companies of all sizes. Large companies include Plastique Toys and Metal Happy Toys, which sell internationally. Smaller companies sell locally in shops, craft fairs, or online.	Revenue streams Wooden Grain Toys will sell directly to customers at craft fairs and online.
Marketing activities Wooden Grain Toys will communicate with customers with an email newsletter, targeted Google and Facebook ads, social media, and in person at craft fairs.	Expenses <ul style="list-style-type: none">Materials for toys including wood, steel, and rubberCraft fair fees and travel costsInventory space for products
Team and key roles Currently, the only team member is the owner, Andrew Robertson. As profits increase, Wooden Grain Toys will look to add an employee to assist with social media and online marketing.	Milestones As business grows, Wooden Grain Toys will advertise in target markets—especially in advance of the holiday season.
